

THE NEW LOOK OF DISTANCE AND PLAYABILITY

► Low-profile design with unmistakable "M" cosmetic and stepped crown

- Easier to play from the fairway
- Confidence when aligning the shot

► Large, open-channel Speed Pocket

- Increased flexion delivers more distance and forgiveness on low-face shots
- Generates distance by decreasing backspin

► GEOACOUSTIC Technology

- Advanced shaping with a two-tiered sole design provides added playability from all lies
- Sound ribs that have been externalized to manage and optimize vibrations and pitches for exceptional sound and feel

► Improved, shorter fluted hosel design

- Provides superior sound and feel while lowering CG
